**Happy New Year!** I hope you all enjoyed the Christmas break and seeing in 2020. It was lovely to see everyone happily coming into school on the first day of term....the smiling faces made the grey sky fade into the background. The staff would like to join me in wishing you all a Happy New Year and we hope your wishes and dreams for the year ahead come true.

**Welcome** The children in Chestnut Class enjoyed welcoming Faith Cooper into their class this week as much as those in London Plane Class had fun getting to know her sister, Ellie Cooper and Hilma Hedbloom-Lockyear who also started 2020 joining a new school. A huge welcome to you and your families - we hope you all quickly settle into our school community and feel at home here.

**School First Aid** It is a statutory duty that schools keep up to date consent forms with regards to parental wishes with regards to the administration of paracetamol (Calpol) and any antihistamine (Piriton) medicine in school. Without sending all the forms out again (and doing that every term) the West Sussex Health and Safety Team advise that we ask you (and via newsletter is acceptable) that should you wish to add or withdraw consent please come into the school and amend your child's form accordingly.

**New Year Resolutions** People often begin the New Year making resolutions. If struggling to think of any here are a few suggestions:

Use the village hall or the Bosham Inn car parks if bringing your child/ren to school by car rather than parking in Chidham Lane.

If just dropping your child off by car, turn around further down the road rather than doing a 3 point turn right outside of school or use the "one way" system around Hampstead Meadow.

When sorting through wardrobes and cupboards, do bring in any outgrown clothes and shoes and put them in our green charity clothes bin that sits on the playground.

Bring in any used clean plastic milk bottle tops, discarded batteries or any unwanted plastic bags (including sandwich bags) and place them in the appropriate recycling bin in our reception area.

**Verrucas** With the children in Oak and Willow Class swimming this term, please can I ask those parents and carers especially to regularly check their child/ren's feet for verrucas and treat as appropriate. Children can still swim, though they will probably need to wear a waterproof sock.
